

STARTING OR GROWING A VETERAN-OWNED BUSINESS

Sign up for Boots to Business Reboot, an entrepreneurship training program for veterans and their spouses.

OWNING A VETERAN-OWNED SMALL BUSINESS

Veterans have the character, discipline and skills needed to succeed as small business owners and entrepreneurs. Wondering what it takes and how you can prepare? Enroll in Boots to Business Reboot.

ABOUT BOOTS TO BUSINESS REBOOT

Boots to Business Reboot is a two part training program that provides participants an overview of business ownership as a career vocation, an outline and knowledge on the components of a business plan, a practical exercise in opportunity recognition, and an introduction to available public and private sector resources.

Part one is a two-day Introduction to Entrepreneurship course eligible to Veterans of all eras, Servicemembers, including members of the National Guard and Reserves, and their spouses. This course is instructed by SBA and its partners who are skilled business advisors.

Part two is an eight-week online Foundations of Entrepreneurship course instructed by a consortium of professors and practitioners led by the Institute for Veterans and Military Families at Syracuse University.

Notes: A participant must complete the two-day course to be eligible for the eight-week course.

Note: This will be an intensive one-day event. Check-in begins at 8:00 a.m. and class begins at 8:30 a.m.
